

Lesson for Grades 6, 7, and 8: Word Search

Instructions: Find the following words in the puzzle below and draw a circle around the word or color it with a highlighter. The words are spelled out correctly in a straight line. There are no spaces between letters or between words in two-word phrases (For example, "SAY NO" will appear as "SAYNO"). However, words may be upside down, backwards or at an angle. Some letters may be used by multiple words.
